HEALTH AND NUTRITION 2

Build A Skeleton

BUILD A SKELETON

Drag and drop pieces to build the skeleton

Restart Help

Show image Timer off

00:05

Labels for the skeleton diagram:

- cranium (skull)
- mandible (jaw bone)
- sternum (breast bone)
- clavicle (shoulder bone)
- humerus (upper arm bone)
- radius (lower arm bone)
- ulna (lower arm bone)
- (hand bones)
- ribs
- vertebrae (spine)
- pelvis (hip bone)
- femur (upper leg bone)
- tibia (lower leg bone)
- fibula (lower leg bone)
- (feet bones)

The interface features a central 2D outline of a human skeleton. To the left, there is a collection of individual bone pieces, including a skull, ribs, and various long and short bones. A timer at the bottom right shows 00:05. A control panel at the bottom left contains buttons for 'Restart', 'Help', 'Show image', and 'Timer off'.
